Subject: **UPDATE REPORT ON THE LOS ANGELES COUNTY ERP/ADMINISTRATIVE
SYSTEMS REPLACEMENT RFP INITIATIVE**

This is an update to advise your Board that the two joint proposal finalists, Accenture/Peoplesoft and IBM/SAP, for the Los Angeles County Administrative Systems (LACAS) project, have been notified that the evaluation process has been completed and that the evaluation committee will be recommending that upon approval by your Board, contract negotiations be initiated with the highest ranking proposers, Accenture and PeopleSoft. Copies of the notification letters are attached for your information.

Official notification to the vendors of their ranking now allows us to have discussions to develop a complete estimate of County costs for this project. The recommendation to your Board will include a complete representation of all project costs.

If you have any questions, please contact Howard Baker at (213) 974-1772, or me at (213) 974-2008.
